Upgrade your shower experience with a high-quality brass shower hose that's both flexible and durable. Available in various lengths, this kink-resistant hose allows you to direct water where you need it most. Made with top-quality materials, including a brass outer construction, and a non-toxic EPDM rubber interior that's resistant to corrosion, high temperature, and high-water pressure, while preventing bacteria growth for a safe and hygienic showering experience. With easy installation and a sleek design, it's the perfect addition to any bathroom.

- Reduced risk of leaks and water damage due to high-quality seals and connectors.
- Easy installation and sleek design complement any bathroom décor with a full range of finishes.
- Ideal for use in residential and commercial bathrooms.

BENEFITS

- High-quality brass construction ensures durability and reliability.
- Flexible and kink-resistant design for easy maneuverability and control of water flow.
- Non-toxic EPDM rubber interior prevents the growth of bacteria and other harmful substances for a safe and hygienic showering experience.
- Resistant to corrosion, high temperature, and high-water pressure for long-lasting use.
- Connects to handheld shower heads, wall-mounted shower arms, or supply elbows.

FEATURES

- Country of Origin: Italy
