Experience the epitome of luxury with our high-end Italian deck-mounted tub faucet. Meticulously crafted from premium materials, this fixture blends timeless design with enduring durability. Immerse yourself in a personalized spa experience with its minimalist hand shower. Effortless cleaning, water conservation, and a touch of sophistication redefine your bathing ritual. Indulge in the art of opulent bathing, where every detail exudes refinement and unparalleled comfort.

- Offers a stylish and sophisticated touch to any bathroom.
- Easy installation process makes upgrading your bathroom simple and hassle-free.
- Enhances bathroom aesthetic appeal and adds value to the space.
- Provides a comfortable and ergonomic grip for easy and precise water flow control.
- Indulge in a spa-inspired atmosphere that lets you relax and rejuvenate after a long day.
- Ideal for use in residential and commercial bathrooms.

### BENEFITS

- Enjoy versatility with the integrated 2-outlet diverter. Easily switch between different water outlets, allowing you to customize your bathing experience according to your preferences.
- Crafted from high-quality brass that ensures durability and longevity. The brass construction not only guarantees sturdiness but also adds a touch of elegance to your space.
- Experience pure relaxation with the included minimalistic one-spray hand shower.
- Pull-out flexible hose offers convenient ease of movement. Reach every corner of your bathtub effortlessly, ensuring a comprehensive and relaxing bathing experience.
