

Double Handle Kitchen Faucet - C25

Collection: ARNO

Model: ETD13-KIT-AR-C25-00-DK

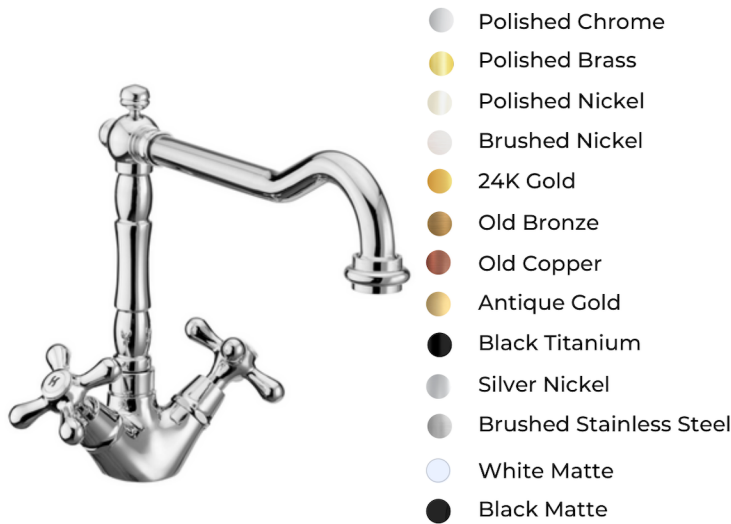

Enhance the elegance of your kitchen with our Transitional Design Double Handle Kitchen Faucet. Combining timeless design elements with modern functionality, this faucet offers the perfect balance between traditional charm and contemporary flair. With its dual-handle operation and high-arc spout, it delivers exceptional performance and versatility for all your kitchen tasks.

BENEFITS

- **Timeless Elegance:** Elevate the style of your kitchen with a transitional design that effortlessly combines classic and contemporary elements, creating a sophisticated and inviting space.
- **Effortless Control:** Dual-handle operation offers precise control over water temperature and flow, ensuring optimal performance for various kitchen tasks.
- **Hassle-Free Maintenance:** The smooth surface and thoughtful design make cleaning the faucet easy, maintaining its pristine look with minimal effort.

FEATURES

- **Transitional Design:** Blends classic and modern design elements, offering a versatile and timeless aesthetic that suits any kitchen decor.
- **Double Handle Operation:** Separate handles for hot and cold water provide precise control over temperature and flow, ensuring convenience and ease of use.
- **High-Arc Spout:** Offers ample clearance for filling large pots and pans, accommodating your kitchen needs with ease.
- **Water-Saving Technology:** Designed with advanced aerators and water-saving technology, promoting eco-conscious living without compromising performance.
