- The modern and stylish design of our sliding bracket system adds a touch of elegance to your bathroom.
- Easy to install and use, requiring minimal plumbing modifications.
- Suitable for both residential and commercial use.

- Our metal rail sliding bracket system provides customizable showering by allowing easy adjustment and angling of your showerhead.
- Detachable or mountable for flexible and convenient use, providing extended reach or hands-free showering.
- The corrosion-resistant rail mounts to your shower wall, saving space and providing a modern look.
- Made from high-quality brass with durable finishes, our sliding bracket system is built to last.
- Our versatile single-spray function ABS handheld shower and smooth no-kink hose are lightweight and add convenience to your shower routine.
