Embrace the freedom of choice with our Non-Thermostatic Bath Mixers With Shower Set. This versatile fixture offers manual control, allowing you to tailor your bathing experience according to your preference. Paired with a hand shower, flexible hose, and sturdy holder, it provides the ultimate showering and bathing flexibility. Elevate your daily rituals with this functional and stylish addition, designed to enhance your bathroom space with ease.

- **Luxurious Bathing:** Tailor your bath or shower precisely to your desires, indulging in a spa-like experience.
- **Effortless Filling:** Swiftly fill your bathtub with high-performance precision, making bath times seamless.
- **Versatile Showering:** Adapt the water flow for rinsing, cleaning, or relaxing under a soothing spray.
- **Timeless Elegance:** Elevate your bathroom with a sophisticated design, adding both style and luxury.

BENEFITS

- **Precise Water Control:** Achieve the perfect water flow with our non-thermostatic bath mixers, allowing you to adjust the temperature manually for a personalized bathing experience.
- **Flexible Hand Shower:** Our hand shower offers flexibility and convenience, providing a comfortable grip and efficient water distribution.
- **Durable Construction:** Built with high-quality brass, our bath mixers are designed to withstand daily use, ensuring longevity and reliable performance.
- **Sleek Design:** Crafted with Italian precision, our bath mixers boast a minimalistic and elegant design that enhances the visual appeal of your bathroom.
- **Luxurious Finishes:** Choose from a variety of luxurious finishes, including chrome, 24K gold, brushed nickel, and more. Allowing you to customize your bathroom with the perfect aesthetic
