Immerse yourself in luxury with our Non-Thermostatic Bath Mixer featuring a built-in faucet. Effortlessly fill your bathtub, adjusting the water flow to your preference, for a relaxing and indulgent bathing ritual.

This fixture seamlessly combines elegance with functionality. Its integrated faucet not only enhances your bathroom's aesthetic but also offers efficient and precise control, transforming your bathing space into a haven of comfort.

BENEFITS

- **Luxurious Bathing:** Tailor your bath or shower precisely to your desires, indulging in a spa-like experience.
- **Effortless Filling:** Swiftly fill your bathtub with high-performance precision, making bath times seamless.
- **Versatile Showering:** Adapt the water flow for rinsing, cleaning, or relaxing under a soothing spray.
- **Timeless Elegance:** Elevate your bathroom with a sophisticated design, adding both style and luxury.

FEATURES

- **Versatile Performance:** This non-thermostatic bath mixer offers precise control over water flow and temperature, accommodating both your bathing and showering needs effortlessly.
- **Filling Capabilities:** Equipped with a high-performance faucet, it efficiently fills your bathtub, ensuring a swift and convenient bathing process.
- **Adjustable Hand Shower:** The included hand shower provides flexibility and ease of use, allowing you to direct the water where you need it most.
- **Premium Craftsmanship:** Crafted from top-tier materials, this fixture ensures longevity, promising years of reliable service without compromising on style.
