Elevate your hygiene routine with our Single Handle Bidet Faucet, a testament to opulence and functionality. Crafted with precision from premium materials, this faucet seamlessly marries Italian elegance with cutting-edge design. Experience the ultimate in hygiene with its single-handle operation, ensuring effortless control and comfort.

- Easy to use and install, with a simple and clean appearance.
- Requires only one hole for installation, making it easier and quicker to install than double-handle faucets.
- Perfect for one-handed use, as the single handle controls both temperature and pressure.
- Ideal for bathroom use, where ease of use and quick temperature control are important factors.
- Ideal for use in residential and commercial bathrooms.

BENEFITS

- Meticulously crafted from premium materials, this bidet faucet exemplifies superior quality and durability.
- Provides quick and precise temperature control without the need for two separate handles.
- Includes automatic pop-up waste that ensures effortless waste management, offering a seamless and hassle-free experience.

FEATURES

- Country of Origin: Italy
- Dimensions: See technical drawings
- Flow Rate: 1.8 GPM
- Installation Type: Deck Mounted
