The Wall Supply Elbow is an essential component for a hand-held shower and hose, providing a convenient mounting option on the shower wall. Our Wall Supply Elbows come in a range of finishes and styles to seamlessly complement any shower design. With easy installation and compatibility with most hand-held shower systems, our Wall Supply Elbows offer a versatile and functional addition to any bathroom.

- Enhances shower functionality and convenience for a more enjoyable shower experience.
- Easy installation and use, requiring minimal plumbing modifications.
- Improves accessibility for those with mobility limitations.
- Ideal for use in residential and commercial bathrooms.

BENEFITS

- Enables mounting of hand-held showerheads and hoses to the shower wall for easy access and use.
- Stylish and decorative design options that complement any bathroom décor.
- Durable and long-lasting construction materials for extended use.

FEATURES
